

Dear Mr. G. I have handed to Mr. G.,
120
Senior, copy of my remarks, Augt. 1st.
- I am really sorry to inflict on the "Liberator"
so long a story; and I set out in good
faith to abridge it, but failed to do so to
anything like the extent I expected. -
However, it is in your hands, and you
are at liberty to cut it down as you please.

I thought it only our duty to
pay the "Liberator" for the
advertising 1st of August, - what
at least it might cost you to
have the types set, &c. - and
have done so.

Truly Yrs

S. May Jr.

Aug. 3/65.

I hope you won't forget your
partial promise to meet Geo.
Thompson at our house; - I shall
notify you when he is to arrive.
